

COWBOYS STILL SING COWBOY SONGS.  
**ONLY TODAY**  
IT'S NOT JUST WITH A LONELY HARMONICA.  
IT'S WITH A CRANKED-UP  
**STRATOCASTER**  
THAT HOWLS, KICKS  
AND DOES EVERYTHING IT CAN TO SCREAM:  
"LET THE  
**STAMPEDE**  
**BEGIN!"**  
**MARLBORO**  
COME TO WHERE THE FLAVOR IS.
